

The background is black and filled with white line drawings. There are several clouds of various shapes and sizes. There are also many stick figures in various poses: some standing, some with arms raised, some sitting on a horizontal line. The title 'YTRINGSKLIMA' is written in large, bold, white capital letters in the center. The author's name 'ØYVIND KVALNES' is written in smaller, bold, white capital letters above the title. A horizontal orange line is drawn across the middle of the page, with two stick figures sitting on it. Another horizontal orange line is drawn below the title, with two stick figures sitting on it. The overall style is minimalist and graphic.
